

In-Room Spa Treatment List

Deep Tissue

Detoxify your body & improve blood circulation.
Deep, intensive pressure transforms muscle tensions.

60min | €85

Reflexology

Focused massage applied to pressure points on the feet, recalibrate targeted areas of the body, stimulating natural healing processes. The Indian Head Massage will ease out accumulated tension and drift you off to a world of relaxation.

60min | €85

De-Stress Full Body Massage

Reset your body clock & ease stiff muscles after a long day or long-haul flight. Get ready for relaxation as longstroke movements stimulate oxygen flow & circulation to prepare your body for a superior state of well being.

90min | €125

Tension Relief Body Massage

This treatment is designed to release deep seated tension from the body. The movements include a combination of deep tissue, Swedish, lymphatic drainage & acupressure points. This specialised full body massage has been designed to stimulate circulation, remove accumulated toxins, & effectively relieve water retention.

120min | €160
